

Give It Up

Verse 1

Today's His birthday, let's celebrate
A day the angels commemorate
A day of gladness, a day to sing
A day to praise our heavenly king

Chorus

Give it up and clap your hands
He is born, the Son of Man
Give it up, though a child He be
Therein lies His majesty

Verse 2

In spite of His divinity
He chose to come into poverty
Among the lowly, among the weak
The Lord of all, the Prince of Peace

Chorus

Verse 3

Sent from the Father, His only Son
To conquer death for everyone
A gift most holy, His very self
God is with us, Emmanuel

Chorus

Give it up for His Majesty
Give it up for His majesty
Give it up for His Majesty
